

25/12/67

25-29. xii. 1967. K.H.L. Key

27164 Bonaderry. Ridge with lateritic pale
Goniaca australasica, *G. opomaloidea*, *Coryphocarpus*,
 gravelly soil with *E. haemastoma*,
rupestris, *Ecarna includens*, *Poa murra* (heathy)
gummifera & *scabra* to 50ft, dense shrubs,
musgravei, *Moraba unicali*
mel. leptospermum, *Hakea*, *Daviesia*,
 etc. to 3ft, scattered coarse grasses &
 forbs, occ. *Xanthorrhoea*.

Shoalhaven Head? white
 27178. / Raw sand behind coastal dunes.
Oedalus australis, *Calidia capitata*, *Coryphocarpus*
E. lobophorus to 50ft, *Banksia* sp. to 20ft,
rupestris
Casuarina sp. regrowth to 10ft. *Macrozamia*
 to 3ft, *Themeda australis*, *Imperata*,
Phaul. *Austr. procuma*.

29/12

27283. Nowra

302 Yalwal. Lethum.

304. Sandstone plateau, with outcropping
Goniaca australasica, *Peckia brunnea*,
 rock in places; white sand, some
Cirrhula pyrochneus, *Rhizala modesta*, *Ecarna*
lateritic pebbles. *E. haemastoma* (?),
includens, *consideneana* (?), *Phaulacridium vittatum*,
gummifera, & a stringybark to 30ft, with
Poa murra *musgravei*
 numerous shrubs to 3ft, *mel. Hakea* sp.,
Banksia sp., *Petrophila* sp., *leptospermum* sp.,
 & grasses & sedges to 1ft, *mel. a* coarse-
Arizopogon avenaceus R.Br.
 leaved one with inflorescences to 3ft (spec.)

Peckia modesta, *Peckia brunnea*, *Cirphula pyrrhocnemis*,
306. Same habitat. *Pachura musgravei*

309. Gently undulating; pale brown soil,
Coryphoptes ruficollis, *Koniaca australasica*,
with almost continuous cover of brown
Peckia brunnea, *Pachura musgravei*, *Ischnura*
sandstone flakes averaging 2 in. in
includes, *Cirphula pyrrhocnemis*, *Moraba*
diameter. Trees same as previous stops,
Amiculi, *Pardillana* sp. (f.)
but denser & rising to 50 ft. Same shrubs,
plus *Personia* sp. (?) to 5 ft & trunked
Xanthorrhoea to 4 ft. little grass.
